

BOND 2018

PROPOSITION A
New Unified Elementary Campus
Estimated cost: \$37 million

PROPOSITION B
High School Additions/Renovations
Estimated cost: \$13 million

PROPOSITION A - NEW UNIFIED ELEMENTARY CAMPUS

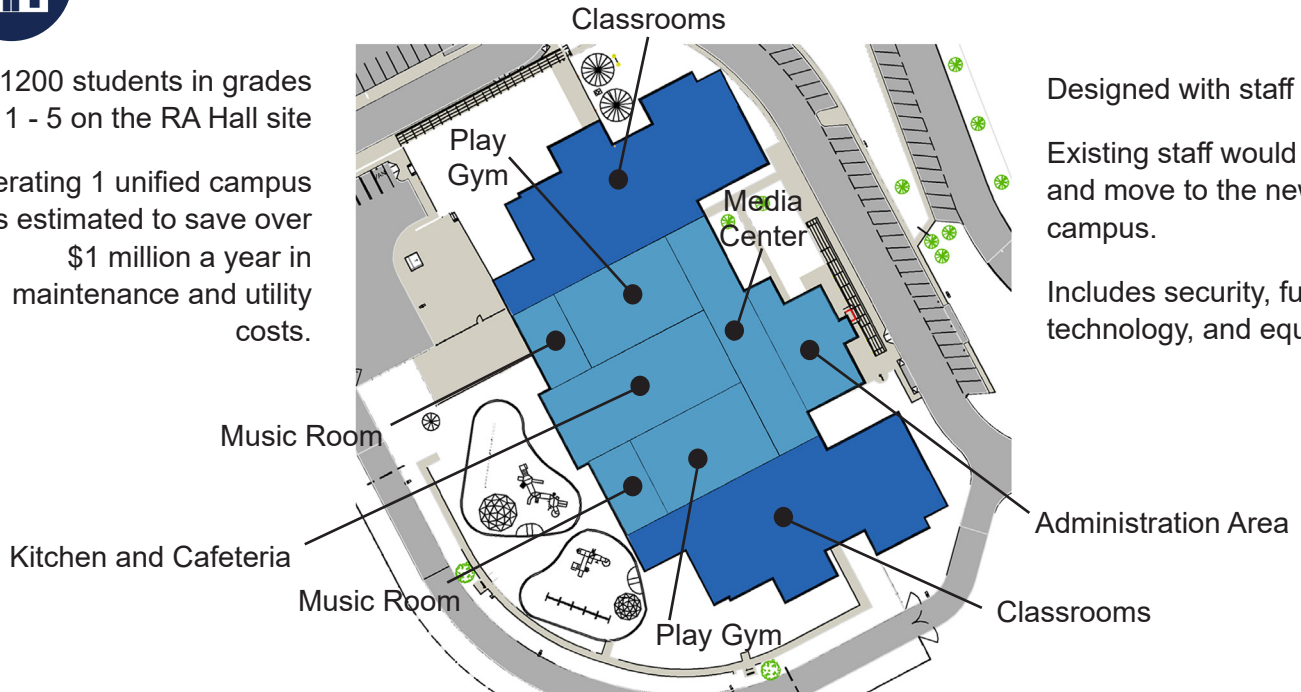

For 1200 students in grades 1 - 5 on the RA Hall site

Operating 1 unified campus is estimated to save over \$1 million a year in maintenance and utility costs.

Designed with staff input

Existing staff would remain and move to the new campus.

Includes security, furniture, technology, and equipment

Unified campus concept sketch only. Not a Board-approved design.

PROPOSITION B - HIGH SCHOOL ADDITIONS/RENOVATIONS

Renovate 400 wing for Law Enforcement, Ag, and Robotics programs

New Weight Room

New Science Labs

New Media Center

New Band Hall addition

Renovate existing Science Labs

Renovate existing Band and Choir Halls

HS project concept sketch only. Not a Board-approved design.

ESTIMATED MONTHLY TAX IMPACT

Tax impact for senior citizens with an Age 65 Freeze

65+

Tax impact for EACH proposition based on a \$75,000 homestead

PROP A

PROP B

Tax impact for BOTH propositions based on a \$75,000 homestead

BOTH

VOTERS 65 AND UP: If you receive an Age 65 or Older exemption on your homestead taxes, your school taxes cannot be raised above the frozen level unless you make significant improvements or additions to your home. A significant improvement would be anything beyond normal repair or maintenance, such as adding a swimming pool or game room to your home.
